Dear Mr Stout

Re: String Road Closure

Thank you for contacting me regarding the closure of your string road and its impact on schoolchildren in the Shiskine and Blackwaterfoot areas.

I agree with your concerns and with what I perceive to be the failure of the Council to adequately publicise public notice of this work.

I can assure you that I am already pursuing this matter with the Roads Department and that as I receive more information I will be in touch.

Fortunately the school holidays are upon us and the work should be completed well before the start of the new term. However, if I can be of any further practical help in the meantime please do not hesitate to contact me.

Yours sincerely

Anthony Gurney
